LEASE TERMS AND CONDITIONS

1. **LEASE.** Lessor agrees to lease to Lessee, and Lessee agrees to lease from Lessor, the Equipment (as defined below). The lease of any Equipment is governed by the terms of this Agreement. The Equipment is and shall remain the personal property of Seller.
2. **TERMS.** All capitalized terms used and not otherwise defined herein, will have the meanings set forth in this Agreement. As used in this Agreement, the following definitions shall apply: "Accessories" shall mean any additions, attachments, or accessories to the modular buildings, or ancillary services, provided by Lessor to Lessee and identified in this Agreement; "Equipment" shall mean the modular buildings, Accessories, and/or Services identified in this Agreement, together with any replacements, repairs, additions, attachments or accessories hereafter rented to Lessee under this Agreement.
3. **PAYMENTS AND PRICE ADJUSTMENTS.** Lessee agrees to pay to Lessor each payment specified herein on a net invoice basis. Payment terms are net due upon receipt unless otherwise agreed upon in writing. All payments due from Lessee pursuant to this Agreement shall be made by Lessee without any abatement or setoff of any kind whatsoever arising from any cause whatsoever. Prices will be increased by Lessor for unknown circumstances or conditions, including, but not limited to, driver waiting time, special transport permits, difficult site conditions and/or increases in fuel prices.
4. **LEASE TERM; EARLY TERMINATION.** The Lease Term and Monthly Rent, each of which are specified in this Agreement, shall commence on the date the Equipment is delivered to the Site (the "Start Rent Date"), unless a different date is mutually agreed upon in writing, and shall continue thereafter for the number of months specified in this Agreement as the Lease Term. Lessee agrees to pay the Total Charges per Month specified in this Agreement (as may be adjusted pursuant to Section 5 below) for each month during the Lease Term and any extensions thereof. A month is defined as thirty (30) calendar days; rent will be billed monthly unless otherwise specified in this Agreement (but rent shall be due and owing even in the absence of actual receipt by Lessee of an invoice or bill). In the event that Lessee terminates this Agreement prior to the expiration of the Lease Term, Lessor shall be entitled to charge an early termination fee, even if such termination occurs prior to delivery of the Equipment. Such fee shall be determined by Lessor, in its sole discretion, following the receipt of the termination request. Such early termination fee may include, but shall not be limited to, charges related to the preparation of the Equipment for delivery and/or the rental value of this Agreement. In no event shall any such early termination fee exceed the total value of this Agreement. Lessor shall not be liable to Lessee for any failure or delay in obtaining, delivering or setting up the Equipment. If Lessee delays delivery of the Equipment for any reason for thirty (30) days or longer from the original delivery date mutually agreed upon between both parties, Lessor may, in Lessor's sole discretion, charge Lessee a monthly storage fee equal to the Monthly Rent starting on the original delivery date, and/or terminate this Agreement, subject to the early termination provisions set forth above.
5. **EXTENSION OF LEASE TERM.** Upon expiration of the initial Lease Term set forth in this Agreement, the lease of the Equipment shall automatically be extended on a month-to-month basis until the Equipment is returned to Lessor. This Agreement does not expire and the terms and conditions hereof shall remain in full force and effect for any extension of the Lease Term, unless otherwise agreed upon by Lessor and Lessee in writing. Lessor may periodically revise the Total Charges per Month from those reflected in this Agreement if the lease of the Equipment is extended beyond the initial Lease Term. If the lease of the Equipment is extended beyond the initial Lease Term, Lessor may revise the charges for the Charges Upon Return from those specified in this Agreement to reflect Lessor's then-current market rates for such services.
6. **PREPARATION FOR REMOVAL OF THE EQUIPMENT.** Prior to the scheduled removal of the Equipment, Lessee shall, at a minimum: (a) provide clear access to the Equipment for Lessor to dismantle and remove the Equipment from the Site by industry-standard trucking methods; (b) disconnect all utilities; (c) remove all personal property of Lessee's from the Equipment; and (d) in the case of Equipment that includes plumbing, flush the plumbing lines clean and ensure that no foreign matter remains in any fixtures. Plumbing must be properly disconnected by Lessee at its sole cost and expense. Lessee will be responsible for costs of repair required by improper plumbing disconnection to the extent that the Equipment is damaged. Any components, parts or accessories supplied by Lessor must be returned with the Equipment. In the event that Lessee fails to meet the requirements herein, additional charges may be incurred by Lessee for additional labor, waiting time, or dry-runs in the event that Lessor is unable to return the Equipment as scheduled.
7. **RETURN OF EQUIPMENT.** Lessee must provide a minimum of thirty (30) days prior, written notice to Lessor when requesting to return the Equipment. Lessee is responsible for complying with the requirements set forth in the "Preparation for Removal of the Equipment" section of these Lease Terms and Conditions. Unless otherwise agreed upon by Lessor in writing, Lessee shall continue to be responsible for payment of the Total Charges per Month set forth in this Agreement (as may be adjusted pursuant to Section 5 hereto) until return of the Equipment to Lessor is completed. The Total Charges per Month will be prorated in one-half (1/2) month increments only. If the Equipment is returned within the first fifteen (15) days of the billing period, Lessee shall be responsible for paying half of the Total Charges per Month; if Equipment is returned between the sixteenth (16th) and thirtieth (30th) days of the billing period, Lessee shall be responsible for paying the entire amount of the Total Charges per Month. The charges reflected in this Agreement for Charges Upon Return will be adjusted for any Lease Term longer than twelve (12) months or if the Lease is extended beyond the initial Lease Term, pursuant to Section 5.
8. **WARRANTIES; DISCLAIMER.** Lessor warrants to Lessee that the Equipment, when delivered and set up and under normal use and regular service and maintenance by Lessee, shall be free from major defects in materials and workmanship that prevent any normal use and operation. Accessories supplied by Lessor pursuant to this Agreement but not owned by Lessor shall not be subject to the foregoing warranty, but shall carry the applicable warranty of the Accessory owner, which Lessor hereby assigns to Lessee to the extent transferable. Lessor's liability under this warranty shall be limited to the replacement or repair of the defective Equipment (during Lessor's normal working hours), at Lessor's option; provided, however, that Lessee shall provide written notice of any failure or defect to Lessor within four (4) days after discovery, and within the applicable warranty period, and failure to provide such notice in a timely manner may result in a limitation of this warranty at Lessor's sole option. If Lessee does not grant clear, unobstructed access for any such repairs between 8:00 a.m. and 5:00 p.m., Monday through Friday, Lessee shall bear the cost of repair rates for labor at the applicable overtime rates. Should any Equipment damaged be capable of repair, the Equipment shall be repaired and restored to its condition existing prior to such damage, at Lessee's sole cost and expense. In the event any of the Equipment is damaged beyond repair or is lost, stolen or wholly destroyed, this Agreement shall cease and terminate as to such Equipment as of the date of the event, accident or occurrence causing such loss or destruction, and Lessee shall pay Lessor within forty-five (45) days thereafter, an amount equal to the full replacement value of the Equipment, which payment obligation shall survive the termination of this Agreement.
11. **INSURANCE.** Lessee shall procure and maintain, at its sole expense (including all premiums, deductibles and self-insured retentions), (i) property insurance covering the loss, theft, destruction, or damage to the Equipment in an amount not less than the full replacement value thereof (and with a deductible no higher than \$25,000), naming Lessor as loss payee of the proceeds, and (ii) commercial general liability insurance (minimum of \$1,000,000 per occurrence and \$2,000,000 in the aggregate) (and with a deductible no higher than \$25,000), naming Lessor and its designees as additional named insureds. Lessee's insurance shall be primary and non-contributory to any insurance maintained by Lessor or any other additional insureds or additional named insureds. The liability insurance policy shall contain coverage for all contractual indemnity obligations of Lessee set forth in this Agreement, cross-liability and waiver of subrogation provisions in favor of Lessor and any other additional insureds. Re: Modular Building Project 301-678

Good afternoon:

Thank you for the opportunity to bid on your modular building needs and our bid is enclosed. We have followed the bid package closely, but we have added these clarifications/exceptions to our proposal. Our bid is based on these clarifications and should be considered as part of our proposal:

The restroom building will be HCD approved. In addition, the plumb tree/manifold is not included and should be supplied, assembled and connected by your site plumber. Plumbing and electrical connections to be performed by others also. Paper and soap dispensers, sanitary and trash receptacles are not provided.

The exterior colors for all buildings are our standard Camel/Mesa Brown. The buildings can be painted custom colors for an additional charge.

The stand alone alarms are merely a pull station and horn and are not connected to a central hub or location. The smoke detectors are stand battery detectors and any future battery changes would be the responsibility of the customer. Each classroom will contain a standard fire extinguisher.

If an order is placed this week, we could have the buildings ready for delivery as soon as July 8. Once delivered, set up will take approximately 6-8 work days.

The bid bond has been included. Payment and performance bonds can be provided if we are awarded the project.

We take exception to the skilled and trained workforce program. The set up contractor is a licensed CA contractor and its workers are skilled, trained and experienced in the set up of modular buildings.

Pricing does not include any obstruction removal, site restoration upon building removal, electrical or plumbing connections, furniture, casework, appliances, door stops, phone and/or data lines, gutters, downspouts or tie in, fire sprinklers, temporary power, temporary fencing, traffic control, flagmen, fees associated with inspections, city or county submittals and/or use permits.

Thank you again for the opportunity to provide this proposal. Please contact me for any questions or comments.
