Subject: Re: County Food ordinance/ Pacifica Food ordinance

As a quick follow up, the language of 6-5.404 that we're hoping to pass is different from San Mateo County's existing ordinance because our ordinance would require reusable food ware, whereas the San Mateo County ordinance does not mention the word reusables when it highlights what dine-in restaurants can use. The existing San Mateo County ordinance also just focuses on disposables and compostables, and does not place emphasis on reusables for dine-in restaurants, which we are hoping Foster City will target with the new ordinance!

Dear Vice Mayor Sullivan and Dr. Lessin,

I hope your day is going well! The difference between the county ordinance and what we want Foster City to specifically adopt is section 6-5.404, which mandates reusables for dine in restaurants. The other sections are in the general county ordinance, but 404 in is not included in the original county ordinance.

Would you be available to talk on Wednesday at 5:30 pm either through the phone or Zoom? I had a few questions about the process of getting the w ordinance agendized as well as methods of public support we could show (newsletters, coalition letters, etc) for the ordinance before the September 18th meeting that I was hoping to discuss.

Thank you so much for all of your support!

Sincerely,
Amanda
