CITY OF FOSTER CITY

WHEREAS, the City of Foster City (City) wants to assist in providing safe transportation for Foster City students who participate in after school activities at San Mateo High School; and

WHEREAS, the San Mateo Union High School District (District) provides an After School Activity (ASA) Bus Program to Foster City students picking up at San Mateo High School at 6:30 p.m. and drops students off at nine (9) stops throughout Foster City; and

WHEREAS, the District has requested that the City contribute an amount not-to-exceed \$21,667.50 for the 2023-2024 School Year; and

WHEREAS, funding for the ASA Bus Program is traditionally available in the City Manager Department Community Benefits Program Fund; and

WHEREAS, a budget appropriation is required since the funding request from the District was received after the City's Final Budget for FY 2023-2024 was adopted; and

WHEREAS, the City wishes to make a one-time payment to the District to provide funding in support this ASA Bus Program because it provides a valuable service to children and parents in Foster City and provides an additional broader benefit to the residents of Foster City because the ASA Bus Program reduces individual automobile trips currently required to transport children who will instead use the after school program bus.
