1	8/23/23 10:11:13	8/23/23 10:11:23	anonymous	Yes
2	8/24/23 17:08:08	8/24/23 17:43:55	anonymous	Homes for ownership not just rental properties.
3	9/14/23 9:54:30	9/14/23 10:22:58	anonymous	The standards appear to work with setbacks, roof heights, etc. Hopefully they promote and utilize mixed materials that are both inviting and interesting to the eye. Whatever the design standards are should be up to date, and current with 21st century projects around California (Regardless if they match existing structures from the 80s,92,s and early 2000s).
4	9/15/23 13:07:04	9/15/23 13:13:00	anonymous	It is important to maintain height and other size standards as per the surrounding neighborhood for any new development. Hopefully, new design standards include this
5	9/24/23 20:19:08	9/24/23 21:55:04	anonymous	I think the fixation with "reducing bulk" is very silly.
