### Terms

<u>Prepay</u>	Requires payment before unit can be released into production	<u>50/50</u>	Requires 50% down, 50% before shipping	<u>Net 30</u>	Requires payment 30 days after invoice is created
---------------	--	--------------	---	---------------	--

NOTE: 2.5% per month charge on unpaid balances will be added to past due accounts.

NOTE: We will at our discretion and in compliance with applicable law, decide and inform you of the credit limit applicable to your account which is the maximum amount which can be outstanding at any time on your account. We may approve charges that result in your balance exceeding your credit limit. This does not constitute an increase in your credit limit. If your balance exceeds your credit limit, the balance will have to be paid in full prior to your order being approved.
