NOW, THEREFORE, BE IT RESOLVED that the Planning Commission, based on facts and analysis in the staff report, written and oral testimony, and exhibits presented, finds that:

1. The foregoing Recitals are true and correct and are incorporated herein by this reference; and
2. The provision of safe and stable housing for households at all income levels is essential for the public welfare of the City. Housing in Foster City, both rental and for-sale housing, has become steadily more expensive and housing costs have gone up faster than incomes. Federal and state government programs do not provide enough affordable housing to satisfy the needs of very low, low, or moderate income households. As a result, there is a severe shortage of adequate, affordable housing for very low, lower, and moderate income households, as evidenced by the findings in the City’s Housing Element; and

3. The proposed amendment to the Foster City Zoning Map is consistent with the General Plan, specifically the 2023-2031 Housing Element including Goal H-D Consider Potential Public and Private Redevelopment Opportunities to Increase the Supply of Housing and Program H-D-2-a Tier 1 Housing Opportunity Sites, which specifically calls for additional housing at the subject sites.

BE IT FURTHER RESOLVED that the Planning Commission of the City of Foster City hereby recommends City Council approval of an amendment to modify the previously approved General Development Plan ±100-acre lands known as Metro Center in the C-2/PD (General Business/Planned Development) district to a C-2/PD (General Business/Planned Development) district with an amended General Development Plan to allow up to 58,000 square feet of commercial or mixed commercial/residential use of up to 58,000 square feet of commercial and up to 222 dwelling units at 1010 Metro Center Boulevard (APN 094-281-010) as shown in Exhibits A and B, attached hereto and incorporated herein.
