SUBJECT: AUTHORIZING THE ISSUANCE OF A REQUEST FOR
PROPOSALS FOR ON-CALL PROFESSIONAL CONSULTANT
SERVICES FOR THE BUILDING DIVISION

RECOMMENDATION

It is recommended that the City Council adopt the attached resolution, authorizing staff to issue a Request for Proposals (RFP) for on-call professional consultant services to augment Building Division staff of the Community Development Department and find the request exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guideline Section 15061(b)(3).

EXECUTIVE SUMMARY

The Community Development Department (CDD) is committed to planning, maintaining, and improving the quality of life and public safety of Foster City in keeping with the vision of the City Council in the General Plan and other measures that reflect the City's heritage as a Master Planned community. CDD is comprised of the Planning/Code Enforcement and Building Divisions. The Building Division is responsible for ensuring that all construction projects permitted within the City comply with the California Building Code, the Foster City Municipal Code and all other applicable codes and regulations. The Building Division provides permit intake, plan check, and building inspection services to ensure compliance with the California Health and Safety Codes.

The Building Division has a limited staff comprising of six (6) personnel providing services related to building permits and construction activity. Limited staffing poses a significant challenge in providing timely, continuous and uninterrupted building division services. To overcome these challenges, the implementation of on-call inspection and plan review services is proposed. On-call personnel will provide coverage during staff absences, ensuring continuity of services, increased flexibility, cost-effectiveness, and enhanced customer satisfaction.

The Building Division intends to select up to two (2) consulting firms to provide on-call building services under this RFP. Selected firms will be placed on an official list of qualified consultants who will be called upon to provide staffing services, including performing plan checks, inspections and/or permit intakes in response to staff absences, vacant positions, workflow demands and providing quality service to Foster City community.

BACKGROUND

Currently, the Building Division is staffed by one (1) Chief Building Official (currently vacant and is filled by a consultant), one (1) Plan Examiner, two (2) Inspectors, and two (2) Permit Technicians. The staffing levels, although adequate, can present a challenge during staffing vacancies, the amount of time taken to fill a vacant position, and staff absences due to vacation, training, and/or illness. Under such circumstances, staff has to either postpone or reschedule the inspections or delay plan checking, affecting service delivery levels to our customers. Thus, staff determined that adding on-call consulting services to provide continued coverage and ensure that the service is not interrupted would be helpful.

In addition, Assembly Bill 2234 (AB 2234) that came into effect on January 1, 2023, requires that the cities and counties must review building permit applications for completeness within 15 business days and complete an initial review within either 30 business days (for projects of 25 units or less) or 60 working days (for larger projects). If the local agency does not provide notice of a complete or incomplete application within 15 business days, the application will be deemed complete. In addition to AB 2234, there are several other bills that mandate streamlined review and shorter processing timelines including review of Wireless Communications Facilities permits, ADU permits, Solar energy systems, certain housing projects, etc.

The state mandated requirements related to permit streamlining, new construction projects, including Gilead's new lab building might further strain staff resources and availability, potentially leading to delays and service interruptions. The proposed on-call consultant services to augment Building Division staff on an as-needed basis will help building division to manage workload and meet the demands of new construction projects and ensure consistent and efficient service delivery to the Foster City community including its residents and businesses.

On July 17, 2023, the City Council authorized master services agreements with two (2) selected consultants for professional on-call building services, including West Coast Code (WC3) and 4Leaf Inc., to provide on-call building services in an amount not to exceed \$75,000 and without limitation for certain plan check fees that will be payable directly by the applicant. The consultant services have been used for building inspection services and at present are being used for interim Chief Building Official (CBO) position, while the city fills in the permanent CBO position.

Both the agreements with the consultants were for one (1) year and are set to expire on June 30, 2024. Staff determined that it would be helpful to continue engaging on-call consulting services to provide coverage and ensure that the services are not interrupted. However, staff is recommending the length of the agreement to be for two (2) years instead of one (1) year.

ANALYSIS

The scope of the RFP includes providing as needed on call consultant services for building inspection, plan review services, and permit technician services for various types of buildings, residential and non-residential, including, but not limited to:

CONSULTANT certifies that he is aware of the provisions of the Labor Code of the State of California which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that Code, and CONSULTANT certifies that he will comply with such provisions before commencing the performance of the work of this agreement.
14. NON-DISCRIMINATION. The CONSULTANT will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The CONSULTANT will take affirmative action to ensure that applicants are employed and the employees are treated during employment without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, advancement, demotion, transfer, recruitment, or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The CONSULTANT shall at all times be in compliance with the requirements of the Federal Americans With Disabilities Act (Public Law 101-336) which prohibits discrimination on the basis of disability by public entities. The CONSULTANT agrees to post in conspicuous places available to employees and applicants for employment any notices provided by the CITY setting forth the provisions of this non-discrimination clause.

15. Notice. All notices required by this Agreement shall be given to the CITY and CONSULTANT in writing, by first class mail, postage prepaid, addressed as follows:

16. Non-Assignment. This Agreement is not assignable either in whole or in part.
17. Amendments. This Agreement may be amended or modified only by written agreement signed by both parties.
18. Validity. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.
19. Governing Law. This Agreement shall be deemed to have been executed in the County of San Mateo, California. The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California, excluding its conflict of laws rules. Any suit or action initiated by either party shall be brought in the County of San Mateo, California unless the parties agree otherwise in a written amendment to this Agreement. In the event of litigation between the parties hereto to enforce any provision of the Agreement, the unsuccessful party will pay the reasonable attorney's fees and expenses of litigation of the successful party.
20. Mediation. Should any dispute arise out of this Agreement, the parties shall meet in mediation and attempt to reach a resolution with the assistance of a mutually acceptable mediator. Neither party shall be permitted to file legal action without first meeting in mediation and making a good faith attempt to reach a mediated resolution. The costs of the mediator, if any, shall be paid equally by the parties. If a mediated settlement is reached neither party shall be deemed the prevailing party for purposes of the settlement and each party shall bear its own legal costs.
21. Conflict of Interest. CONSULTANT represents and warrants that it presently has no interest, and shall not have any interest, direct or indirect,

which would conflict in any manner with the performance of work and services required under this Agreement. Without limitation, CONSULTANT represents to and agrees with CITY that CONSULTANT has disclosed any potential conflict of interest, and will have no future conflict of interest, in providing CITY services hereunder, including but not limited to, any interest (financial, share ownership, shared management, shared directors, or reporting responsibilities) CONSULTANT may presently have, or will have in the future, with respect to any other person or entity (including but not limited to potential suppliers, vendors, consultants, contractors, or regulatory agency) which may have an interest in the subject matter of the Services.

22. Liability of CITY.

Except as provided in Exhibit A, Services to be Provided by CONSULTANT and Exhibit C, Insurance, CITY's obligations under this Agreement shall be limited to the payment of the compensation provided for in Paragraphs 1, 3, and 4 of this Agreement,

Notwithstanding any other provision of this Agreement, in no event shall CITY be liable, regardless of whether any claim is based on contract, tort or otherwise, for any special, consequential, indirect or incidental damages, lost profits or revenue, arising out of or in connection with this Agreement, the Services, or the Project.

CITY shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by CONSULTANT, or by any of its employees, even though such equipment be furnished, rented or loaned to CONSULTANT by CITY. The acceptance or use of such equipment by CONSULTANT or any of its employees shall be construed to mean that CONSULTANT accepts full responsibility for and shall exonerate, indemnify, defend and save harmless CITY from and against any and all claims for any damage or injury of any type, including attorneys' fees, arising from the use, misuse or failure of such equipment, whether such damage be to the CONSULTANT, its employees, CITY employees or third parties, or to property belonging to any of the above.

Nothing in this Agreement shall constitute a waiver or limitation of any right or remedy, whether in equity or at law, which CITY or CONSULTANT may have under this Agreement or any applicable law. All rights and remedies of CITY or CONSULTANT, whether under this Agreement or other applicable law, shall be cumulative.

23. Waiver of Default. Waiver of any default by either party to this Agreement shall not be deemed to be waiver of any subsequent default. Waiver or breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach, and shall not be construed to be

a modification of the terms of this Agreement unless this Agreement is modified as provided below.

24. Force Majeure. Except for defaults of subconsultants at any tier, CONSULTANT shall not be liable for any excess costs if the failure to perform the Agreement arises from causes beyond the control and without the fault or negligence of CONSULTANT, including without limitation failure to reasonably mitigate any adverse impacts (Force Majeure). Force Majeure events include the following:

Acts of God, fires, floods, earthquake, other natural disasters, epidemics and pandemics (other than COVID-19 or variants), abnormal weather conditions beyond the parameters otherwise set forth in this Article, nuclear accidents, strikes, lockouts, freight embargos, interruptions in service by a regulated utility, or governmental statutes or regulations enacted or imposed after the fact (together, "force majeure events").

[For consideration if applicable:] Any Force Majeure event with a duration in excess of [TBD by Owner—recommend not less than 30] days entitles either party to terminate this Agreement with written notice to the other party, without further penalty or compensation.

25. Entire Agreement. This Agreement, including Exhibits A, B, C, and D comprises the entire Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the date first above written by their respective officers duly authorized in that behalf.

1. **Consultant's Duty to Show Proof of Insurance.** Consultant, in order to protect City and its Council members, officials, agents, officers, and employees against all claims and liability for death, injury, loss and damage as a result of Consultant's acts, errors, or omissions in connection with the performance of Consultant's obligations, as required in this Agreement, shall secure and maintain insurance as described below. Consultant shall not perform any work under this Agreement until Consultant has obtained all insurance required under this section and the required certificates of insurance and all required endorsements have been filed with the City's authorized insurance representative, insurance Tracking Services Inc. (ITS). Receipt of evidence of insurance that does not comply with all applicable insurance requirements shall not constitute a waiver of the insurance requirements set forth herein. Upon request, Consultant shall supply proof that such person is an authorized representative thereof, and is authorized to bind the named underwriter(s) and their company to the coverage, limits and termination provisions shown thereon, Consultant shall promptly deliver to ITS a certificate of insurance, and all required endorsements, with respect to each renewal policy, as necessary to demonstrate the maintenance of the required insurance coverage for the term specified herein. Such certificates and endorsements shall be delivered to ITS prior to the expiration date of any policy and bear a notation evidencing payment of the premium thereof if so requested. Consultant shall immediately pay any deductibles and self-insured retentions under all required insurance policies upon the submission of any claim by Consultant or City as an additional insured.

1.1 Insurance Requirements

Commercial General Liability Insurance

Commercial General Liability Insurance including, but not limited to, Contractual Liability Insurance (specifically concerning the indemnity provisions of this Agreement with the City), Products-Completed Operations Hazard, liability for slander, false arrest and invasion of privacy arising out of

professional services rendered hereunder, Personal Injury (including bodily injury and death), and Property Damage for liability arising out of Consultant's performance of services under this Agreement. The Commercial General Liability insurance shall contain no exclusions or limitation for independent contractors working on the behalf of the named insured. Consultant shall maintain the Products-Completed Operations Hazard coverage for the longest period allowed by law following termination of this Agreement. The amount of said insurance coverage required by this Agreement shall be the policy limits, which shall be at least two million dollars (\$2,000,000) each occurrence and five million dollars (\$5,000,000) aggregate.

*Please note, the City will require a separate additional insured endorsement for the Commercial General Liability policy, listing the "City of Foster City, its Council members, officials, agents, officers, and employees".

[FOR THE FOLLOWING INSURANCE REQUIREMENTS, PLEASE CONSIDER IF EACH IS APPROPRIATE FOR THE SERVICE TO BE PROVIDED AND FOR THE CONSULTANT. UNCHECK THE CHECKBOX FOR ANY INSURANCE REQUIREMENT THAT IS NOT APPLICABLE. PLEASE CONTACT THE CITY MANAGER'S OFFICE WITH ANY QUESTIONS.]

☒ Business Automobile Liability Insurance

Automobile Liability Insurance against claims of Personal Injury (including bodily injury and death) and Property Damage covering any vehicle and/or all owned, leased, hired and non-owned vehicles used in the performance of Services pursuant to this Agreement with coverage equal to the policy limits, which shall be at least two million dollars (\$2,000,000) each occurrence.

☒ Workers' Compensation Insurance

Consultant shall submit written proof that Consultant is insured against liability for workers' compensation in accordance with the provisions of section 3700 of the California Labor Code. Consultant shall require any Subconsultants to provide workers' compensation for all of the Subconsultants' employees, unless the Subconsultants' employees are covered by the insurance afforded by Consultant. If any class of employees engaged in work or services performed under this Agreement is not covered by California Labor Code section 3700, Consultant shall provide and/or require each Subconsultant to provide adequate insurance for the coverage of employees not otherwise covered. Consultant shall also maintain employer's liability insurance with limits of one million dollars (\$1,000,000) for bodily injury or disease.

☒ Professional Liability Insurance

Professional Liability (Errors and Omissions) Insurance, for liability arising out of, or in connection with, all negligent acts, errors or omissions in connection with services to be provided under this Agreement, with no exclusion for claims of one insured against another insured, with coverage equal to the policy limits, which shall not be less than five million dollars (\$5,000,000) per occurrence and five million dollars (\$5,000,000) aggregate.

☒ Installation Floater

Installation Floater, covering the work performed under this Contract, against all risks of direct physical loss. The policy shall cover the Contractor's labor, materials and equipment, including materials and equipment in transit or away from the project site, to be installed in the existing structure(s). The coverage shall be written for an amount equal to the initial contract amount plus the value of any subsequent change orders, subject to a deductible of not more than [\$10,000] payable by Contractor.

☒ Cyber Liability Insurance

Cyber Liability Insurance, covering network risk and cyber liability (including coverage for unauthorized access, failure of security, breach of privacy perils, as well as notification costs and regulatory defense) in an amount of not less than \$1,000,000. Such insurance shall be maintained in force at all times during the term of the Contract and for a period of two years thereafter for services completed during the term of the Contract.

1.2 Self-Insured Retention

Any self-insured retentions in excess of \$100,000 must be declared on the Certificate of insurance or other documentation provided to City and must be approved by the City Risk Manager.

1.3 Claims-Made Basis Coverage

If any of the insurance coverages required under this Agreement is written on a claims-made basis, Consultant, at Consultant's option, shall either (i) maintain said coverage for at least five (5) years following the termination of this Agreement with coverage extending back to the effective date of this Agreement; (ii) purchase an extended reporting period of not less than five (5) years following the termination of this Agreement; or (iii) acquire a full prior acts provision on any renewal or replacement policy.

2. **City as Additional Insured**

On Consultant's Commercial General Liability and Automobile policies, the City, its Council members, officers, directors, agents, employees, and volunteers, shall be named as additional insured's, but only with respect to liability arising out of the activities of the named insured. Any endorsement shall be provided using one of the following three options: (i) on ISO form CG 20 10 1 1 85; or (ii) on ISO form CG 20 37 10 01 plus either ISO form CG 20 10 10 01 or CG 20 33 10 01; or (iii) on such other forms which provide coverage at least equal to or better than form CG 20 10 1 1 85.

3. **Insurance terms and conditions:**

3.1 Cancellation of Insurance

The above stated insurance coverages required to be maintained by Consultant shall be maintained until the completion of all of Consultant's obligations under this Agreement except as otherwise indicated herein. Each insurance policy supplied by Consultant shall not be suspended, voided, cancelled or reduced in coverage

or in limits except after ten (10) days written notice by Consultant in the case of non-payment of premiums, or thirty (30) days written notice in all other cases. This notice requirement does not waive the insurance requirements stated herein. Consultant shall immediately obtain replacement coverage for any insurance policy that is terminated, canceled, non-renewed, or whose policy limits have been exhausted or upon insolvency of the insurer that issued the policy.

3.2 All insurance shall be issued by a company or companies admitted to do business in California and listed in the current "Best's Key Rating Guide" publication with a minimum rating of A-; VII Any exception to these requirements must be approved by the City Risk Manager.

3.3 If Consultant is, or becomes during the term of this Agreement, self-insured or a member of a self-insurance pool, Consultant shall provide coverage equivalent to the insurance coverages and endorsements required above. The City will not accept such coverage unless the City determines, in its sole discretion and by written acceptance, that the coverage proposed to be provided by Consultant is equivalent to the above-required coverages.

3.4 For any claims related to the Agreement, the Consultant's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.

3.5 Insurance coverages in the minimum amounts set forth herein shall not be construed to relieve Consultant for any liability, whether within, outside, or in excess of such coverage, and regardless of solvency or insolvency of the insurer that issues the coverage; nor shall it preclude the City from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.

3.6 Failure by Consultant to maintain all such insurance in effect at all times required by this Agreement shall be a material breach of this Agreement by Consultant. City, at its sole option, may terminate this Agreement and obtain damages from Consultant resulting from said breach. Alternatively, City may purchase such required insurance coverage, and without further notice to Consultant, City shall deduct from sums due to Consultant any premiums and associated costs advanced or paid by City for such insurance. If the balance of monies obligated to Consultant pursuant to this Agreement are insufficient to reimburse City for the premiums and any associated costs, Consultant agrees to reimburse City for the premiums and pay for all costs associated with the purchase of said insurance. Any failure by City to take this alternative action shall not relieve

Consultant of its obligation to obtain and maintain the insurance coverages required by this Agreement.

3.7 Should any of the required insurance (other than errors and omissions insurance) be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defenses costs be included in such general aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limit specified above.

3.8 City may (but is under no obligation to) secure project-specific insurance, wrap-up insurance, or administer an owner controlled insurance program ("OCIP"), in which case Consultant and its subconsultants shall communicate this fact to their insurance carriers and request that the risk of this project be excluded from their practice policies. Consultant's fees under this Agreement (and the fee of its subconsultants under subconsultant agreements) shall be reduced by the amount of insurance premiums that may be avoided by Consultant and its subconsultants by virtue of the City's obtaining the project-specific insurance, wrap-up insurance or administering an OCIP, and the exclusion of this project from coverage of Consultant's and subconsultants policies. Construction Manager and its subconsultants shall afford City access to their books and records and cooperate with City in verifying the amount of savings realized.

EXHIBIT D
COVID-19 AMENDMENT/ATTACHMENT
(Consulting Agreement Form)

This COVID-19 Amendment/Attachment amends the Agreement between _____ (“City”) and _____ (“Consultant”) dated _____.

1. Definitions

A. The 2019 novel coronavirus and the disease it causes are collectively referred to herein as “**COVID-19**”.

B. A “**COVID-19 Condition**” is something attributable to COVID-19 not caused by the Consultant (which for purposes herein includes all subconsultants) and beyond its reasonable control including but not limited to COVID-19 Proclamations and supply chain disruptions due to COVID-19, and other circumstances concerning COVID-19 not caused by the Consultant and which are beyond its reasonable control.

C. A “**COVID-19 Proclamation**” includes but is not limited to orders, directives and guidance concerning COVID-19 that have been issued, and which may be issued from time to time, by public agencies or regulatory bodies, the CDC or OSHA or Cal/OSHA, including without limitation the Cal/OSHA COVID-19 Prevention Emergency Temporary Standards. Consultant acknowledges that those orders, directives and guidance may require the Project to shut down or otherwise increase the Consultant’s cost or time of performance by calling for things such as social distancing and the use of personal protective equipment. In the event of conflicting COVID-19 Proclamations, the Consultant shall follow the most applicable, restrictive and newest COVID-19 Proclamations.

D. An “**Unknown COVID-19 Condition**” is a COVID-19 Condition the Consultant did not know about, and reasonably should not have known about, as of the date the Consultant submitted its proposal. The requirements contained in COVID-19 Proclamations issued before submission of a proposal are not Unknown COVID-19 Conditions, and the Consultant will be deemed to have knowledge of those requirements.

E. An “**Unknown COVID-19 Cost**” is a cost that: (i) is solely attributable to an Unknown COVID-19 Condition; (ii) is reasonable and unavoidable under the circumstances; (iii) is not the result of the Consultant’s failure to comply with the contract documents or a COVID-19 Proclamation; and (iv) is not the result of a subconsultants failure to comply with a COVID-19 Proclamation in connection with the performance of the Services.

2. COVID-19 Conditions and Proposal. Consultant is expected to know and is deemed to have known about COVID-19 Conditions when it submits its proposal, and COVID-19 Conditions must be accounted for in the Consultant’s price and schedule. In

order to be entitled to any relief from a COVID-19 Condition, the Consultant must demonstrate that the issue, cost or delay is due to an Unknown COVID-19 Condition.

3. Compliance with COVID-19 Proclamations.

A. Consultant shall comply with COVID-19 Proclamations in the performance of the Services, irrespective of when the COVID-19 Proclamations are issued, and as they pertain to performance of the Services. The cost of such compliance is non-compensable, except as otherwise expressly stated herein.

B. Consultant is responsible to ensure that its subconsultants and suppliers comply with COVID-19 Proclamations at all times in connection with the performance of their Services.

4. Delay. The Consultant is entitled to a reasonable time extension for an Unknown COVID-19 Condition. Such time extension is non-compensable.

5. City Directed Suspension. The City may suspend Services due to COVID-19 health concerns, even though the Consultant may be allowed to proceed with the Services based on COVID-19 Proclamations. The City may suspend the Services for its convenience. The Consultant is entitled to a time extension for a City Directed Suspension, and the contract amount will be equitably adjusted if and to the extent Consultant incurs increased costs that are Unknown COVID-19 Costs.

6. Compensation for COVID-19 Costs. City will reimburse the Consultant for Unknown COVID-19 Costs that are not included in the schedule of values.

7. Safe Work Practices. Consultant shall implement safe work practices recommended by CDC or OSHA or Cal/OSHA, which may include, inter alia, screening all employees, subconsultants, or others ("worker(s)") at all locations where Services are performed for signs and symptoms of COVID-19; adopting staggered work schedules, e.g., providing alternating workdays or extra shifts, to reduce the total number of employees on a site at any given time and to ensure physical distancing; identifying choke points where workers are forced to stand together, such as hallways and elevators, ingress and egress points, break areas, and buses, and implement policies to maintain social distancing; coordinating deliveries in line with the employer's minimal contact and cleaning protocols; and instituting a rigorous housekeeping program to reduce dust levels at all exterior locations. Consultant remains fully responsible for following and complying with changes to recommended safe work practices from time to time.

8. Monitoring and Reporting. City may require the Consultant to actively monitor the health of its workers through temperature checks and questionnaires of major COVID-19 symptoms, including but not limited to cough, fever above 100.4 degrees Fahrenheit and shortness of breath. Consultant shall immediately report to City any outbreaks of COVID-19 among its workers. The Consultant shall not knowingly allow any worker

who has tested positive with COVID-19 to enter a City building. In the event of an outbreak or an exposure to COVID-19, the City may impose appropriate mitigation strategies which may be in consultation with the public health officer.

9. Conflicts. In the event of an inconsistency between this COVID-19 Amendment and the Agreement, this Addendum shall control.

IN WITNESS WHEREOF, the City and Consultant have executed this Covid-19 Amendment as of the date set forth above.
